

Parents,

Research indicates that parental involvement directly impacts student achievement. Enjoy the following research from the Michigan Department of Education:

- The earlier in a child's educational process parent involvement begins, the more powerful the effects.
- 86% of the general public believes that support from parents is the most important way to improve the schools.
- Decades of research show that when parents are involved students have:
 - Higher grades, test scores and graduation rates
 - Better school attendance
 - Increased motivation, better self-esteem
 - Lower rates of suspension
 - Decreased use of drugs and alcohol
 - Fewer instances of violent behavior

• Family participation in education was twice as predictive of students' academic success as family socioeconomic status.

With this in mind, we at Destiny High School would love for your volunteer support. Some of the areas for volunteerism are:

- Lunchroom Assistance
- Hallway Monitoring
- Front Desk/Clerical Support

The daily periods available for volunteerism are (Mon-Fri):

- 9am – 11am
- 11am – 1pm
