FIND THE PATH TO YOUR DESTINY

Destiny High School has various programs or academies for students:

- a **College Prep Academy** which offers college credits;
- an **Entrepreneurial Academy**, which teaches how to start businesses;
- a **Media/Video Production Academy** which teaches students to create, produce and/or edit audio/visual projects, graphic design and page layout;
- a **Technology Academy**, which teaches computer hardware and software skills and offers many certifications like Microsoft Certified Professional, Microsoft Desktop Support Technician and Microsoft Systems Administrator. The Cisco Networking Academy also offers the world renowned Cisco Certified Network Associate Program;

In addition to course work that emphasizes career choices, job search, resume writing, and budgeting; students will actually participate in an authentic assessment project that includes both internship and service learning opportunities in a variety of fields.

The Destiny High School facility is specifically designed to service the "whole" child: mind, body, and spirit.
